Well another successful season concludes after the coming long weekend. On behalf of Surf Life Saving Queensland, we would like to thank you all for your hard work and dedication you have provided over the past 12 months. SLSQ recognises the extensive work that our lifesavers have performed, including a focus on extension of services within unpatrolled areas and the further development of our lifesaver skills.

The commitment of our vision to minimise deaths and injuries on Queensland's beaches can be reflected by the time dedication and lifesaving skills which provide the bathing public with a safe aquatic environment for all to enjoy.

On behalf of the State Lifesaving Committee we would like to thank you once again and wish you an enjoyable off season and look forward to seeing you back on the beaches in September 2010

Once again, congratulations on a job well done!

Kind Regards,

MARK FIFE
State Lifesaving Officer

KEVIN DUNN
State Operations Support Officer

The life of the beach.
