#### **4. DISTRIBUTION OF CIRCULAR**

It is most important that the information in this Circular is brought to the attention of all Carnival Officials, Team Managers, Coaches and Competitors.

Non-receipt of the Circular will not be taken as an excuse if a Club, Team or individual does not comply with the requirements outlines in this and other Bulletins and Circulars.

#### **5. COVID-SAFE**

Surf Life Saving Queensland have put together some plans to ensure we safely hold the 2022 QLD Championships.

Above all else we ask that members follow safe hygiene practices and maintain 1.5m between people at all times.

##### **Attendance Logs**

QR Codes on Check In QLD Posters will be placed throughout the competition area. All people attending the 2022 QLD Championships are asked to scan in upon arrival.

##### **Hand Sanitiser**

SLSQ will provide hand sanitiser at all access points to the carnival area & club tent area. Competitors, officials, staff and support personnel will be expected to use this hand sanitiser.

##### **Recommendations**

SLSQ highly recommends that anyone attending an event has the COVID-19 vaccinations.

#### **6. ELIGIBILITY TO COMPETE**

All Competitors wishing to compete at the 2022 Queensland Masters and Senior Championships must be proficient in their Bronze Medallion by the close of entries to be eligible to compete.

All competitors must have completed the minimum 25 hours of beach patrol duties (or pro rata of hours as per the current SLSQ Patrol Operations manual) as random checks on patrol hours and proficiency status will be carried out.

All entered athletes must have completed and signed the SLSA "Application for Membership Form", or completed the online renewal via the SLSA Members Portal or their countries relevant document and paid any required membership fees as proof of their eligibility to race.

**NB:** It is an offence to enter a person who does not meet any of the above requirements (even if events appear in Carnival Manger it doesn't mean the competitor is eligible for all those events), and any irregularities will be considered and dealt with by the 2022 Queensland Championships Disciplinary Committee accordingly.

The conditions for both the 6 Person and 5 Person R&R events are detailed in the current edition of the Rescue and Resuscitation Competition Manual (revised November 2021) and any subsequent Bulletins.

Conditions of entry for interstate/international competitors:

- SLSQ reserves the right to invite and/or accept entries from interstate/international competitors and club teams to compete in any event at the Queensland Masters and Seniors Championships.
- Interstate/International club teams must be a genuine club team (not composite) and must compete in club colours to be eligible to compete.
- Interstate/International individual competitors may compete in their club caps or, with the permission of their country, compete in their national colours.

## 10. VOLUNTEER (WATER SAFETY/FIRST AID) REQUIREMENTS

### Officials

Clubs please note that if the required number of officials is not met through the volunteer official's nominations, SLSQ will enforce a 1:10 ratio for the total number of competitors attending the Championships.

### Water Safety (IRB)

For this event the top fourteen clubs by competitor numbers will be outlined in the Final Circular and will be required to supply a fully equipped IRB for the duration of the Championships (Friday to Sunday) and must be fully operational. Defective craft will be rejected and the Club made to replace it before they compete. IRB's must be delivered to the IRB compound by no later than 4pm on Thursday 3<sup>rd</sup> March 2022. Clubs that fail to comply with this request will result in their Club not competing for that duration of time that the Club takes to supply the IRB or find a replacement IRB if their own is deemed unseaworthy.

Also the top twenty clubs by competitor numbers will be required to supply current and proficient IRB Driver and Crew for shifts throughout the weekend. The names of Clubs that fail to have their members report for duties will result in that Club not competing for the duration of time that the Club was to supply personnel and the rest of the carnival if personnel is not supplied at all.

Following close of entries SLSQ will notify the top 14 and top 20 Clubs for their respective IRB & Personnel Shift Requirements. Clubs will need to supply the names of Qualified IRB driver's and Qualified IRB crewman's to SLSQ by Sunday 21<sup>st</sup> February 2022. A draft roster will be sent out on Tuesday 23<sup>rd</sup> February 2021.

SLSQ will be monitoring the entries of clubs to ensure that the top twenty clubs at close of late entries are rostered on and changes to the IRB roster will be made accordingly.

### First Aid

Surf Lifesaving Queensland will require 8 additional volunteer first aid personnel for the 2022 QLD Championships. If you have anyone interested in these roles please email Karen Degnan ([kdegan@lifesaving.com.au](mailto:kdegan@lifesaving.com.au)).

If we receive limited nominations will look at the top participating clubs to assist in this area.

## 12. DRESS OF COMPETITORS

In all events, competitors must wear the event hi visibility lycra provided as part of entry to the event. To promote competitor safety and assist with competitor identification, competitors and handlers entering the water beyond knee depth are required to wear approved hi vis as their top layer of clothing. Refusal to comply renders the clothing, competition apparel or equipment ineligible for the competition and the competitor and/or team would be ineligible for further participation in the event.

SLSQ staff, the Event Referee, Area Referee and/or Sectional Referee reserve the right to order the removal or covering of signage, ID, or logos in conflict with any event sponsors and/or the SLSA Competition Sponsorship Policy.

## 13. EVENT MEDALS, TROPHIES & POINTSCORE

SLSQ Championship medals will be awarded to individuals and team members gaining 1<sup>st</sup> (Gold), 2<sup>nd</sup> (Silver) or 3<sup>rd</sup> (Bronze) in all Championship events contested.

**There will be no medals for Masters competitors at the event.** If any Masters competitors would like a medal, please either visit the Administration Tent or email [kdegnian@lifesaving.com.au](mailto:kdegnian@lifesaving.com.au) and medals will be ordered post event.

Overall Pointscore (1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup>) and Handicap Pointscore (1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup>) trophies for the top 3 clubs in each will be awarded at the conclusion of the event.

The point score awarded to each Champion Club, within each event's age category, will be 6 points for 1<sup>st</sup> place, down to 1 point for 6<sup>th</sup> place. If, when the event has concluded, there is a tied pointscore, the club with the most first places will be declared the winner. Failing this, the club with the most 2<sup>nd</sup> placings to 6<sup>th</sup> placings respectively will be considered to determine a winner, if it arises there is a tie and no way to separate dual trophies will be presented.

**Note:** International clubs (and/or non SLSA affiliated clubs) are not eligible to earn points towards the overall and handicap pointscores.

**DEAD HEATS** – Where a dead heat (as defined in the current edition of the Surf Sports Manual) occurs in the final of an event, the clubs of individuals/teams will share the placing points and medal relative to the finish placing. The club of the next individuals/teams to finish will receive the relative placing points based on the number of individuals/teams finishing ahead of them. For example: if two individuals finish equal 1<sup>st</sup>, both individuals/teams shall receive 6 points each and the gold medal. The next placing individual/team shall be awarded the 4 points and the bronze medal for coming 3<sup>rd</sup>.
